Fetal Monitoring Accessories &
Consumable Catalogue

2024

Maximising Patient Monitoring Performance

Supplementary component that improves capability

Huntleigh's medical products are renowned for reliability and superior quality, values which are reflected in our accessory and consumables product range. Whatever your needs, Huntleigh will work with you to find the optimum accessories or consumables that are right for your applications, helping you seamlessly manage important fetal monitoring requirements.

This section is only applicable to United Kingdom (UK) market when UK marking is applied to the Arjo medical device labelling.

UK Symbol:

UK marking indicating conformity with UK Medical Devices Regulations 2002 (SI 2002 No 618, as amended)
Figures indicate UK Approval Body supervision.

UK Responsible Person & UK Importer:

Arjo (UK) Ltd., ArjoHuntleigh House, Houghton Regis. LU5 5XF

Is the appointed UK Responsible Person as defined in UK Medical Devices Regulations 2002 (SI 2002 No 618, as amended).

For Northern Ireland (NI) CE marking will still apply until further amendment to applicable regulations.

1001071-2

If a serious incident occurs in relation to this medical device, affecting the user, or the patient then the user or patient should report the serious incident to the medical device manufacturer or the distributor.
In the European Union, the user should also report the serious incident to the Competent Authority in the member state where they are located.

Manufactured in the UK by Huntleigh Healthcare Ltd on behalf of;

ArjoHuntleigh AB
